## A Companion to the Archaeology of Religion in the Ancient World (Blackwell Companions to the Ancient World)

*A Companion to the Archaeology of Religion in the Ancient World* presents a comprehensive overview of a wide range of topics relating to the practices, expressions, and interactions of religion in antiquity, primarily in the Greco-Roman world.

- Features readings that focus on religious experience and expression in the ancient world rather than solely on religious belief
- Places a strong emphasis on domestic and individual religious practice
- Represents the first time that the concept of “lived religion” is applied to the ancient history of religion and archaeology of religion
- Includes cutting-edge data taken from top contemporary researchers and theorists in the field
- Examines a large variety of themes and religious traditions across a wide geographical area and chronological span
- Written to appeal equally to archaeologists and historians of religion
