Diario di un cappellano alpino (Italian Edition) Lamberto Cambi

La guerra vista attraverso gli occhi di un giovane prete, arruolato nel 1940 come cappellano militare degli alpini.

Un diario molto particolare, fatto di racconti in cui la drammaticità degli avvenimenti viene narrata con leggerezza e anche con ironia, e in cui emerge la totale dedizione dell'autore alla sofferenza dei soldati.

Dalle campagne in Albania e Montenegro alla deportazione nei lager, il filo conduttore di questi racconti è la fede, su cui poggia la certezza che le ultime parole sulla vita non sono la sofferenza e il terrore. Protagonisti di queste pagine sono invece gli alpini, compagni nella sventura e nella buona sorte, capaci di gesti eroici, segnati, per tutta la vita, dall'esperienza tragica della guerra e legati, anche negli anni successivi, da un vincolo fraterno.

From reader reviews:

Gerri Townsend:

What do you in relation to book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your free time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need that Diario di un cappellano alpino (Italian Edition) to read.

James Kline:

Precisely why? Because this Diario di un cappellano alpino (Italian Edition) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content within easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the reserve store hurriedly.

William Patterson:

That reserve can make you to feel relax. This particular book Diario di un cappellano alpino (Italian Edition) was colourful and of course has pictures on the website. As we know that book Diario di un cappellano alpino (Italian Edition) has many kinds or genre. Start from kids until youngsters. For example Naruto or Private investigator Conan you can read and believe you are the character on there. Therefore not at all of book are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading in which.

Wm Dunlap:

What is your hobby? Have you heard that question when you got pupils? We believe that that problem was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you also know that little person like reading or as looking at become their hobby. You must know that reading is very important and also book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You discover good news or update regarding something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is actually Diario di un cappellano alpino (Italian Edition).
