The Dialogue Comes of Age John B., Jr. Cobb

Increasingly world religious traditions present not just an intellectual or apologetic challenge to Christians but a daily encounter, a source of religious practices, and even live religious options. How are Christians to relate to these traditions and the neighbors and friends who live by them? This lively and engaging book is a great resource for faithful wrestling with the new realities. Led by theologian John B. Cobb Jr. and historian Ward M. McAfee, the Progressive Christians Uniting has distilled the historical and existential import of both Abrahamic and other traditions and stressed the differences among traditions and the richness they can afford Christian self-understanding. Includes study materials.
