Our God is a God of faith, and it takes faith to please Him. It is easy to have faith in the little things, and many Christians exercise their faith by what they can see, hear and or feel; but omit to realise that God revealed Himself through Jesus, and set Jesus before us as the One to whom we must entrust ourselves for salvation. This Christian book explains what faith is, and elaborates on how we are to mature our faith through a relationship with Jesus in order to experience God at work in our lives! This book explains through examples how we, as Christians, are to walk by faith and not be dependent on our feelings or circumstances, by realising that faith is simply the hand that takes from the hand of God.
