A Rebel In Time Harry Harrison

Can history be changed?

Can the South still win the War Between the States?

Colonel McCulloch thinks so...and his gold, his gun, and some very special blueprints stand behind him to help him prove it.

Sargeant Harmon is a black man who hopes not...and only his readiness, ingenuity, and wit stand behind him to help him stop it.

In the corridors of contemporary Washington and on the fields where Civil War battles have yet to be fought, these two men take each other on--and the winner will determine the course of history...
