**Los cimientos del cielo (Spanish Edition)** Juan Miguel Zunzunegui

Guerra santa contra el Islam en España, persecuciones religiosas y herejes quemados a lo largo del Imperio germánico, ídolos de piedra destruidos en el templo mayor de los mexicas. Así comienza una historia de tres familias y tres siglos; una historia de amistad y lealtad, de traición y fanatismo, de misiones sagradas y misterios del pasado...

Un descendiente inmortal del último guerrero águila que defendió Tenochtitlan lucha para ver cumplida su obsesión: que la Catedral de México, templo del dios blanco y símbolo de la conquista, no sea concluida jamás; al tiempo que intenta aniquilar a todos los descendientes del conquistador Alonso de Ávila, mientras que la familia Morell parece tener en su destino las hogueras inquisitoriales, tanto de Europa como de América.

Una novela sobre finales y principios de mundos y eras: el fin de la Edad Media y el comienzo de la era monárquica; la ruptura de la Iglesia y de Europa; la herejía que recorre el mundo; los creyentes y los herejes..., todo en torno a la construcción sin fin de la Catedral de México.
