This Present Moment: New Poems Gary Snyder

"This present moment
That lives on

To become

Long ago."

For his first collection of new poems since his celebrated *Danger on Peaks*, published in 2004, Gary Snyder finds himself ranging over the planet. Journeys to the Dolomites, to the north shore of Lake Tahoe, from Paris and Tuscany to the shrine at Delphi, from Santa Fe to Sella Pass, Snyder lays out these poems as a map of the last decade. Placed side-by-side, they become a path and a trail of complexity and lyrical regard, a sort of riprap of the poet's eighth decade. And in the mix are some of the most beautiful domestic poems of his great career, poems about his work as a homesteader and householder, as a father and husband, as a friend and neighbor. A centerpiece in this collection is a long poem about the death of his beloved, Carole Koda, a rich poem of grief and sorrow, rare in its steady resolved focus on a dying wife, of a power unequalled in American poetry.

As a friend is quoted in one of these new poems:

"I met the other lately in the far back of a bar,
musicians playing near the window and he
sweetly told me "listen to that music.

The self we hold so dear will soon be gone.'"

Gary Snyder is one of the greatest American poets of the last century, and *This Present Moment* shows his command, his broad range, and his remarkable courage.
