## **Cròniques d'una Catalunya desconeguda (Catalan Edition)** Ireneu Castillo

A «Cròniques d'una Catalunya desconeguda» hi trobareu petites grans històries de temàtica variada com la història d'un Gibraltar català, la rebuda absolutament gore que va tenir el ferrocarril a Mataró, un referèndum a Canet de Mar que va passar a la història o per què al Power8 Stadium de l'Espanyol els gols es marquen en dues poblacions diferents segons la porteria... un munt de històries que et descobriran que encara no coneixes del tot aquest petit país que és Catalunya.

Aquest llibre confirma a Ireneu Castillo en la categoria que li correspon, un escriptor-periodista-historiador-divulgador, un autor que busca històries i les verifica, i no espera només que les històries vinguin a ell, que remena papers i arxius, i divulga unes històries estranyes, divertides, curioses i les fa arribar al lector amb un llenguatge planer però rigorós. «Cròniques d'una Catalunya desconeguda» és un llibre tan interessant com adictiu.
