Maya

Hackers La storia, le storie (Contro Cultura) (Italian Edition) Maya

Le storie degli hackers, italiane e non, raccontate in prima persona dall'autrice che le ha vissute sulla propria pelle, quindi verita' mai raccontate come:

L'ackeraggio di McLink (1989)

La "vera storia della truffa del videotel"

Il Samantha Network (1991)

Hackes Huntler (1993) che le costo' un avviso di garanzia, e le altre vicende storiche...

Le affascinanti storie "internazionali" con le schede degli Hacker "storici"

Hacker rosa pink: una ricerca sulle donne Hackers (35 pagine), sempre per molti versi una storia ancora mai scritta, dove invece emerge un'interessante (ed in un certo senso sconvolgente) testimonianza di quanto le donne abbiano fatto nella storia dell'elettronica, informatica e telematica dal 1800 in poi...

la storia dell'informatica e della telematica comincia prima della costruzione dei primi computers...

Una sezione sulle leggi in vigore e qualche spunto per ... cominciare a diventare un Hacker
