Today there are many questions about homosexuality as it relates to the Bible and Christians. What does the Bible say about homosexuality? Does genetics, environment, or traumatic life experiences justify homosexuality? What is God's will for people with same-sex attractions? Does the Bible discriminate against people with same-sex attractions? Is it possible to abstain from homosexual acts? Should not Christians respect all people, regardless of their sexual orientation? Did not Jesus preach tolerance? If so, should not Christians take a permissive view of homosexuality? Does God approve of same-sex marriage? Does God disapprove of homosexuality? If so, how could God tell someone who is attracted to people of the same sex to shun homosexuality, is that not cruel? If one has same-sex attraction, is it possible to avoid homosexuality? How can I as a Christian explain the Bible's view of homosexuality? IT IS CRUCIAL that Christians always be prepared to reason from the Scriptures, explaining and proving what the Bible does and does not say about homosexuality, yet doing it with gentleness and respect. Andrews will answer these questions and far more.
