Masquerade (The Dragonfly Chronicles Book 3) Heather McCollum

Orphanage director by day, jewel thief by night. Using her magic to rob from the rich to keep the orphanage running seems like the perfect solution until Kat steals from the wrong man, a man who sees through her magic, a man who can see the scars she hides from the world.

Toren MacCallum is cursed. An old witch tore him from his sixteenth century world and threw him into the twenty-first century. But he's found an ancient dragonfly necklace to bait the witch to return him to his time. For he must find a way home to save his sister and his clan from disappearing off the pages of history.

When a mysterious woman steals the necklace in front of a hundred witnesses, the witch, followed by a storm of demons, sends Kat and him to Elizabethan England. Toren agrees to return the necklace, but he won't give up the greater prize, the thief who's stolen his heart.

This is a new release of a previously published edition.
