**Miguel de Unamuno: Una biografía (Spanish Edition)** Jean-Claude Rabaté, Colette Rabaté

La primera biografía de Unamuno en más de cuarenta años, basada en documentos inéditos. Esta biografía de Unamuno redefine la personalidad de un intelectual comprometido cuyas vivencias y acciones estuvieron estrechamente vinculadas a la vida política y cultural de España durante más de cinco décadas. Gracias a nuevas fuentes como sus cuadernillos autobiográficos de juventud y vejez, su abundante epistolario -en parte inédito-, centenares de colaboraciones periodísticas en España y América Latina e innumerables discursos rescatados de la prensa, se destaca la figura pública y privada de una personalidad polifacética.
