New Orleans in the Thirties offers a nostalgic view of life in New Orleans half a century ago through photographs and reminiscences. It was a time when Robert Maestri was mayor, the St. Charles streetcar made a complete loop, and the Pelicans won the Dixie Series in baseball. Moreover, it was a time when doctors made house calls and women donned gloves to go shopping. Fascinating period photographs accompany intimate and loving descriptions of the Crescent City of the thirties, capturing the mood and magic of that decade. This volume brings to life the New Orleans of the past and allows the reader to discover-or rediscover-the character of that time and place. The author's recollections will appeal to non-New Orleanians, that is, to anyone who grew up in America during the depression era. She recalls, for example, the leisurely pace of pre-television society in which radio held a powerfully unique role, as well as the headline fashions of the day and the cultural mores that now may seem quaint to many. Mary Lou Widmer, a native New Orleanian, is president of the South Louisiana Chapter of Romance Writers of America. She has written several articles for New Orleans publications, and is the author of *Night Jasmine* , *Beautiful Crescent* , and *Lace Curtain* . Widmer is also the author of *New Orleans in the Twenties* , *New Orleans in the Forties* , and *New Orleans in the Fifties* , all published by Pelican.
