The Trouble with Curses Anara Bella

A powerful attraction is the last thing these arch enemies need. Or is it?

Selena Tremayne is different. For one thing, how many vampires do you know faint at the sight of blood? Despite the problems her "differences" cause, she's grateful. It means she's not an all-out-evil killing machine. It also means she can't afford to let anyone get too close. And a guy like Rafe, delicious as he is, is to be avoided at all costs.

Rafe Hunter is a vampire slayer, an odd job thrust upon him by dint of birth. And with his augmented abilities, no one else does it better. Those abilities run into a major short-circuit, however, when he meets Selena. The mysterious beauty clouds his every instinct—something he can ill afford in his line of work. Because of her, his quarry has somehow slipped out of his grasp. Twice.

Coincidences are piling up, and he can't help but wonder if simple lust is the culprit. Or if it's something deeper—with dangerous repercussions that extend beyond anything either of them imagined...

Warning: Explicit, sizzling-hot slayer/vamp sex. Please note: No vampires were harmed during the writing of this book.
