A powerhouse of inventiveness and imagination, “Videos of People Falling Down” is structured like a symphony that plays back on itself, building to a crescendo of emotion and experience. When Thomas and I were editing the story, we had charts and lists of characters and long discussions about who and what and why. We kept talking about it as a puzzle that needed to fit all together; that’s the technical stuff, but the stuff that sucks you right in is the humanity of this piece and Thomas’ artful storytelling. - Laura Perciasepe, Editor, Riverhead Books
