Return to Sender: Unanswered Letters to the President, 2001-2015 Ralph Nader

In letters addressed to Presidents George Bush and Barack Obama, Ralph Nader provides incisive critiques of more than a decade of American policy decision and indecision. Each letter offers frank advice and shines light on government mishaps and missed opportunities for progress. With his signature dry wit, Nader holds these Presidents to their campaign promises. He also boldly points to the ignoble and sometimes heinous decisions made in pursuit of party platforms and misguided ideals. Covering a range of still-current topics--including the Iraq war, torture, the Crimean annexation, the minimum wage, worker's health legislation, and corporatism--these letters were wholesale ignored on receipt. Here they are reproduced to refute that fate in the spirit of true and healthy democracy.
