The Huguenot Galley Slaves Jean Martielhe

The Huguenot Galley Slaves, from the Memoirs of Jean Martielhe. The captivating true story of Jean Martielhe, who, at sixteen, was forced to flee home and country in search of religious freedom. In the year 1700, a fresh revival of persecution against the Huguenots was storming across southern France under the command of the Duke de la Force. King Louis XIV had issued the infamous “Revocation of the Edict of Nantes” in 1685 and 15 years later, still finding no end to the number of adherents to the Reformed faith, unleashed yet another wave of dragoonades in a determined effort to abolish Protestantism and unite France under Pope, creed, and King. Bibles were burned, children were taken from their parents, conversions were forced by every means, and the citizens were subjected to outrages, torture, and death. Such an unbridled fury against the Protestants excited an exodus of France’s most productive and pious citizens, and no further threat of penalty, imprisonment, slavery for life, torture, or execution, could stop it. Follow our young Christian as he perseveres through imprisonments, attempts to bring him to renounce his faith, and ultimately his enslavement on the French Royal Galleys.
