The Swimming-Pool Library (Vintage International)

Alan Hollinghurst

The Swimming-Pool Library (Vintage International) Alan Hollinghurst

A literary sensation and bestseller both in England and America, *The Swimming-Pool Library* is an enthralling, darkly erotic novel of homosexuality before the scourge of AIDS; an elegy, possessed of chilling clarity, for ways of life that can no longer be lived with impunity. "Impeccably composed and meticulously particular in its observation of everything" (Harpers & Queen), it focuses on the friendship of two men: William Beckwith, a young gay aristocrat who leads a life of privilege and promiscuity, and the elderly Lord Nantwich, an old Africa hand, searching for someone to write his biography and inherit his traditions.

From the Trade Paperback edition.
