## **Year of Plenty** Craig L. Goodwin

In 2008, Pastor Craig Goodwin and his young family embarked on a year-long experiment to consume only what was local, used, homegrown, or homemade. In *Year of Plenty*, Goodwin shares the winsome story of how an average suburban family stumbled onto the cultural cutting edge of locavores, backyard chickens, farmers markets, simple living, and going green. More than that, it is the timely tale of Christians exploring the intersections of faith, environment, and everyday life.

This humorous yet profound book comes at just the right time for North American Christians, who are eager to engage the growing interest in the environmental movement and the quandaries of modern consumer culture. It speaks also to the growing legions of the "spiritual but not religious" who long for ways to connect heaven and earth in their daily lives.
