Apocalypse Emergency: Love's Wake-Up Call (Return to Grace) (Volume 3) Michael Adzema
Apocalypse Emergency—Love's Wake-Up Call is about a frightening global predicament that everyone seems to be aware of but which few people are giving the attention and seriousness it deserves. Why people would do that and why the media would be inclined to shy away is understandable. We simply have no way of comprehending the magnitude of what is happening—the end of life on Earth—nor how fast it is occurring—likely in our lifetime—since no living thing on this planet in its multibillion year history has had to face what we are. The environmental collapse now occurring can be compared to a trillion-alarm fire with everyone looking the other way. We need to respond to it with the urgency of being in a world war, marshaling all available national and world resources and not with the complacency of a boy-scout litter pick-up campaign. "Love's Wake-Up Call" goes back and forth between the horrors that are possible and this unique situation with the potential so strong to bring humans to raise themselves up and be led by their better angels more than any other time. At no other time in the history of the world was the truth of the saying "we're all in this together" more patently true.
