**Children are often afraid to try something new. This story will show them how they can trust God to help them do what they need to do—just like He did Noah.**

*How Noah Knew What to Do* shows how, even though Noah wasn't a veterinarian or even a ship builder, he listened to God and trusted Him to help him build the ark and fill it with animals. Karen Ann Moore's delightful rhyming text along with Pete Kersten's whimsical illustrations make this a fun way for children to learn they can rely on God in every situation, even when they're doing something they've never done before. Kids will see that obeying God can mean saying "yes" even when the obstacles seem hard to overcome. A gel-pack water-waves novelty that's built into the front cover makes for lots of giggles.
