La masonería en persona(s) (Spanish Edition)

Javier Otaola y Valentín Díaz

La masonería en persona(s) (Spanish Edition) Javier Otaola y Valentín Díaz

La experiencia masónica a través de 20 de sus protagonistas. Una obra reveladora sobre cómo viven la masonería los propios masones.

El tema de la masonería no se ha tratado nunca entre nosotros del modo que se propone en este libro, en el que se pretende un acercamiento a la masonería a través de la experiencia biográfica y existencial que de ella nos aportan un grupo de veinte masones.

Sus perfiles biográficos, sus intereses intelectuales, sus posiciones políticas, su itinerario existencial, nos dicen, indirectamente, muchas cosas de la masonería, nos indican qué motivación lleva a una persona -hoy en día- a acercarse a una Orden de carácter filosófico fundada en el siglo XVIII, y de qué manera las preocupaciones del siglo XXI tienen respuesta en el seno de las logias.

La masonería es una tradición intelectual y moral, una sociabilidad característica, mediadora entre posiciones diversas y a veces contradictorias. A través de la visión de los participantes en este libro queremos ayudar a que el lector pueda hacerse una opinión, favorable o no, pero en todo caso normalizada, de lo que la masonería hace y de lo que puede significar ahora mismo.
