A young boy discovers his ability to produce fire, changing his life forever!

Inspired by the hugely popular Harbinger series, the story of teenage, super-powered outcasts known only as Harbingers; *Slow Burn* is the tale of a young, seemingly unexceptional kid, Justin Fate, who has redefined the expression “giving someone a burning look.” Equipped with the power to destroy anything he sees, young Justin must now learn to control his suddenly emerged talent, not to mention his temper, or he will end up destroying both himself and his now flammable, hugely vulnerable world.

Acclaimed novelist, Jason Starr’s incendiary new work will thrill fans of the graphic novel series that thrilled a generation.
