How to pass the APC Austen Imber

Graduates undertaking the RICS Assessment of Professional Competence (APC) often find that, in addition to the general information provided by the RICS, guidance is needed on specific areas of their work as general practice surveyors.

How to Pass the APC: Essential Advice for General Practice Surveyors has been built around the needs of general practice surveyors, and guides you through the APC process in line with your own competencies – including valuation, marketing, landlord and tenant, estate management, rating, and planning and development work, together with more specialist areas. The author highlights the essentials, showing you how to approach the presentation and interview, providing a bank of examples of real APC questions, together with illustrative responses to demonstrate how the interview process works. Accessible and easy to use, this book gives you comprehensive coverage of the fundamental elements and is a must read for anyone taking the APC.
