## **Organic God: Lenten Meditations on the Words of Jesus** Kate Moorehead

In these Lenten meditations, Kate Moorehead devotes each of the seven weeks to a theme that Jesus addressed frequently, particularly through Earth-centered parables of planting. Each day of the week she explores an aspect of the particular theme. Seeking meaning in the details, the secrets of God's life with us are revealed to us every day in nature itself-the icons of God's presence. By meditating on these icons, we are drawn into closer relationship with God.
