There are many stories in Krynn--and history is watching.

The Journeyman is charged to use the ancient Anvil of Time to travel back along the river of time and find the lost stories that fell between the pages of the history books.

He finds Bradok Axeblade. A chance meeting in a pub turns into a dire warning of impending apocalypse, and Bradok and a determined band of dwarves must brave the dark of the underworld, facing strange new dangers and horrors long hidden from the light. Hunger, fatigue, betrayal, and death await them, all in their quest to find safety in an alien environment - the surface world.
