The Tracey Fragments

Maureen Medved

The Tracey Fragments Maureen Medved

Naked under a tattered shower curtain, fifteen-year old Tracey Berkowitz has been sitting in the back of a bus for two days, looking for her brother, Sonny, who thinks he is a dog. Tracey's stories begin to twist and intertwine truth with lies, absorbing the reader into the games and delusions she uses to escape her despair.

The Tracey Fragments is a raw, moving account that immerses the reader into the labyrinth of a troubled, adolescent psyche, full of twists and turns, fear and uncertainty, trust and betrayal.

Maureen Medved adapted her novel into a film screenplay that was directed by acclaimed filmmaker Bruce McDonald. At the Berlin Film Festival in early 2007, the motion picture won the Manfred Salzgeber Prize for an innovative film that broadens the boundaries of cinema.
