## **Get Ready For Gabi #3** Marisa Montes

Move over Dora the Explorer. Out of the way Junie B. Gabí está aquí! A school and family-based Little Apple series with a funny, spunky Latina main character--a wonderful first for Scholastic!

No way! Gabí\* refuses to speak any more Spanish. EVER! She used to think being able to speak two languages was SO cool. But Spanish seems to be getting her into a whole mess of trouble lately. Gabí mixes up her words, she gets made fun of, and she gets embarrassed in front of her friends. Now, it's strike three and Spanish is out!

No es problema, right? WRONG. Gabí is not allowed to speak English at home. It's a family rule and her mami won't back down. Now, Gabí has to hablar español or she'll get grounded for LIFE! She just doesn't have a choice...or does she?
