## **Lovejoy on Football: One Man's Passion for The Most Important Subject in the World** Tim Lovejoy

Tim Lovejoy loves football. Along with Helen Chamberlain he presented *Soccer AM* for more than a decade to become as much a part of a football fan's weekend as phone-ins, back-page EXCLUSIVES and the vidprinter. But why does Tim love football? Is it actually the most important subject in the world? And did he *really* once support Watford as a kid?

*Lovejoy on Football* gets down to the nitty gritty of the really important stuff in football, such as:

Why he, Tim, is technically a rubbish football fan;

Women's true place in football;

How 'Save Chip' became the biggest football cause in the country;

Why it's a bad idea to hammer Razor Ruddock;

And why footballers are in fact *underpaid*.

Packed with amusing anecdotes, bustling with great football stories and full of strong opinions, *Lovejoy on Football* is the must-have football book of 2007.
