All four stories in the Mad Duchesses series: One Last Night, From Now On, Age of Innocence, The Day After.

In the 19th century British world of proper and proud, these women have attained what few others ever will—the title of duchess. These grand dames of the Beau Monde have the outer trappings of contentment until they are left alone. Mothers, widows and heiresses—they are free to seek pleasure and sexual fulfillment wherever they can find it. And maybe they will find love.

They must be a little mad to hope for the impossible.

Reader Advisory: These stories have graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!
