Masterarbeit aus dem Jahr 2011 im Fachbereich Pädagogik - Bewertungsmethoden, Noten, Note: With Distinction, , Veranstaltung: Masters in Music Education, Sprache: Deutsch, Abstract: This research project was a follow-up study of the work of Dr Tom Balchin's from the University of Brunel and his research Identifications of the gifted: the efficacy of teacher nominations. The focus of this research particularly was to concentrate on the twelve schools in the borough council of Haringey, North London in the United Kingdom.

The aim of this study was to evaluate and discuss teachers' perceptions with a level of consistency in which ways students are identified as Gifted and Talented (G & T) with several factors influencing their judgements and proposing what should actually be in place in order to assist schools to make provision and enhance support for students who are identified as G & T. This was a qualitative study, designed to reveal the perspective and opinions of teachers and co-ordinators related to G & T, and to expose significant areas for further research.
