This discography documents the full range of Brunswick label recordings through 1931, when the American Record Corporation purchased the label. The data includes affiliated or subsidiary labels such as Vocalion and Melotone. Brunswick recorded a wide variety of music in both New York City and in a variety of regional locations within and outside of the United States. This collection of material provides a unique cross-section of the music and musicians of the time. Much of the information derives from surviving company files and from issued recordings.

This comprehensive discography will appeal to researchers and collectors. Each volume is indexed by artist. The last volume includes a consolidated artist index and title and catalog number index.

**William Ochoa:**

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Brunswick Records: A Discography of Recordings, 1916-1931 Volume 1: New

York Sessions, 1916-1926 (Discographies: Association for Recorded Sound Collections Discographic Reference) can make you feel more interested to read.
