Finding and Seeking: Ethics as Theology, vol. 2

Oliver O'Donovan

Finding and Seeking: Ethics as Theology, vol. 2 Oliver O'Donovan

This is the second of three volumes in Oliver O'Donovan's masterful "Ethics as Theology" project. In his first volume -- *Self, World, and Time* -- O'Donovan discusses Christian ethics as an intellectual discipline in relation to the humanities, especially philosophy, theology, and behavioral studies, and in relation to the Christian gospel.

In *Finding and Seeking* O'Donovan traces the logic of moral thought from self-awareness to decision through the virtues of faith, hope, and love. Blending biblical, historico-theological, and contemporary ideas in its comprehensive survey, this second volume continues O'Donovan's splendid study in ethics as theology and adds significantly to his previous theoretical reflection on Christian ethics.
