Madrid Militarizado: Tomo I Historia Militar de la Guerra Civil en Madrid (Coleccion Herodoto nº 1) (Spanish Edition) Manuel de Vicente Gonzalez

Este es el primer volumen de la trilogía "Historia Militar de la Guerra Civil en Madrid", prologada por los profesores Ramón Tamames y Emilio de Diego. En sus 298 páginas, el autor, Manuel de Vicente, reconstruye la historia militar de Madrid durante toda la guerra civil, a partir de partes militares de ambos bandos y otras fuentes oficiales, tales como informes de embajadas extranjeras.

Para ello ha consultado los archivos militares durante más de siete años, recopilando la información de más de 8.000 documentos, que están a disposición del lector en la web <http://publicaciones.defensa.gob.es>. La narrativa de de Vicente complementa el laconismo de los partes de ambos bandos de una forma objetiva, pero que no deja de transmitir el inmenso drama vivido por los madrileños en esos días. Una obra de gran valor para historiadores y personas interesadas en la historia de la guerra civil española.
