Raising Hell (Outspoken Authors Book 13) Norman Spinrad

Taking aim at both Christian fundamentalists and corporate CEOs, *Raising Hell* is a rousing account of the fight to improve working conditions in Hell, a cause taken up by the likes of Jimmy Hoffa, John L. Lewis, and César Chávez. This volume also features “The Abnormal New Normal,” an essay that casts a cold and critical eye on current trends in popular culture, showing how they reflect the domination of the one percent and suggesting a radical fix. The book closes with an Outspoken Interview, a mix of intimate revelation, celebrity gossip, insight, opinion, and outright lies.
