## **Welcome to the Show: A Mickey Tussler Novel, Book 3 (The Mickey Tussler Series) Frank Nappi**

It's 1950 and Mickey Tussler—the now-famous pitching prodigy with autism and a golden arm—is back for another baseball season in this third installment of Frank Nappi's critically acclaimed Legend of Mickey Tussler series. Talk of Mickey's legendary exploits on the field has grown since his improbable debut two years prior, as have the fortunes of Murph and the rest of the lovable ragtag Brew Crew. Now Mickey, Murph, and Lester find themselves heading to Bean Town to play for the Boston Braves.

The call up is sweet, for all of them have overcome insurmountable odds to get where they are. But life in the major leagues is filled with fast-paced action both on and off the field. The bright lights of Boston hold a new series of challenges, hardships, and life lessons—especially for Mickey, who finds himself a long way from throwing apples into a barrel back on the farm. The three newest Braves have each other to lean on, as well as a new group of fans who are swept away by pennant fever, but balancing everything this new world has to offer may prove to be the greatest challenge of all.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
