Yolanda Arroyo Pizarro

Caparazones (Salir del armario) (Spanish Edition) Yolanda Arroyo Pizarro

Nessa acaba de dar a luz y el evento dispara en su psiquis una serie de cavilaciones que le hacen cuestionar todas sus decisiones. Es una reportera de nacionalidad puertorriqueña que realiza trabajos freelance para varios medios de prensa escrita. Se dedica a cubrir asignaciones de terrorismo ecológico en varios lugares del mundo: Australia, Canadá y Costa Rica. La naturaleza de sus investigaciones la llevan, en ocasiones, a estar en peligro dada la complejidad de las manifestaciones en contra del cambio climático, las protestas por el mal manejo de los animales en experimentaciones, el peligro de extinción de ciertas especies de tortugas en El Caribe. Nessa se ha enamorado de una fotógrafa, Alexia, que es adicta al feng-shui y que posee dotes de percepción extrasensorial. Ambas deciden compartir una relación adúltera que las colocará en el vértice de una marejada de situaciones extremas.

«"Caparazones" de Yolanda Arroyo Pizarro es una novela coyuntural. En un momento en que las libertades civiles están en el filo de la navaja y en donde el discurso intolerante busca escurrirse con más fuerza en la conciencia colectiva, esta obra ejerce presión hacia un cambio literario.»

Nelson E. Vera Santiago
