Rayben

Charles W. Leewright

Rayben Charles W. Leewright

They had stood in the chilling darkness of the cornfield and watched their home crumble to ashes. All their possessions lay in bed-sheet bundles at their feet. They stood like silent statues, yet from time to time, one of them lifted a hand to quickly and discretely brush away a tear. Clarence Rayben lost his son to the war, and now bushwhackers are coming for his home. Clarence; his wife, Anna; and teen-age daughter, Willie, walk through a snowstorm in the rugged mountains of Northwestern Arkansas, carrying a few salvaged belongings on their backs. Rayben is a strong, uneducated man who usually depends on his strength to solve his problems, but now, physical strength is not enough. Anna is small and has little strength to offer, but her faith in God gives peace and contentment to her family as they endure the tragedy--until her frail body is overtaken with sickness. It is up to Rayben to find a safe haven for his daughter and ill wife in the war-torn South before it's too late. *Rayben* is an epic tale of one family's struggle to remain apart from the war, piecing together a life in between death, loss, violence, and tragedy. Rayben's greatest wish is to grant his family happiness and peace through exacting vengeance on the man responsible for turning his home to ashes. But as his prospects start improving, can he release his mental anguish and embrace a new life? Or will his rage be responsible for turning what's left of his family to ashes?

From reader reviews:

Justin Fernandez:

Now a day people who Living in the era just where everything reachable by interact with the internet and the resources inside can be true or not need people to be aware of each info they get. How a lot more to be smart in obtaining any information nowadays? Of course the solution is reading a book. Reading through a book can help people out of this uncertainty Information mainly this Rayben book since this book offers you rich information and knowledge. Of course the info in this book hundred per-cent guarantees there is no doubt in it you know.

Michelle Han:

People live in this new day time of lifestyle always aim to and must have the free time or they will get great deal of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to anyone of course your answer will certainly unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, the particular book you have read is actually Rayben.

Ramon Jeter:

As we know that book is very important thing to add our knowledge for everything. By a e-book we can know everything we want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year seemed to be exactly added. This e-book Rayben was filled in relation to science. Spend your free time to add your knowledge about your technology competence. Some people has distinct feel when they reading the book. If you know how big advantage of a book, you can truly feel enjoy to read a reserve. In the modern era like right now, many ways to get book that you wanted.

Carl Harber:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Rayben can make you experience more interested to read.
