The Numberlys

William Joyce

The Numberlys William Joyce

From the team who brought you *The Fantastic Flying Books of Mr. Morris Lessmore* comes an alphabet tale extraordinaire!

Once upon a time there was no alphabet, only numbers...

Life was...fine. Orderly. Dull as gray paint. Very...numberly. But our five jaunty heroes weren't willing to accept that this was all there could be. They knew there had to be more.

So they broke out hard hats and welders, hammers and glue guns, and they started knocking some numbers together. Removing a piece here. Adding a piece there. At first, it was awful. But the five kept at it, and soon it was...artful! One letter after another emerged, until there were twenty-six. Twenty-six letters—and they were beautiful. All colorful, shiny, and new. Exactly what our heroes didn't even know they were missing.

And when the letters entered the world, something truly wondrous began to happen...Pizza! Jelly beans! Color! Books!

Based on the award-winning app, this is William Joyce and Moonbot's Metropolis-inspired homage to everyone who knows there is more to life than shades of black and gray.

From reader reviews:

Nancy Mitchell:

Do you one among people who can't read pleasant if the sentence chained in the straightway, hold on guys that aren't like that. This The Numberlys book is readable simply by you who hate those straight word style. You will find the data here are arrange for enjoyable reading experience without leaving possibly decrease the knowledge that want to give to you. The writer of The Numberlys content conveys the idea easily to understand by many individuals. The printed and e-book are not different in the written content but it just different available as it. So , do you even now thinking The Numberlys is not loveable to be your top list reading book?

Andre Roberts:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider while those information which is within the former life are challenging be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take The Numberlys as your daily resource information.

Joshua Montgomery:

Precisely why? Because this The Numberlys is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Rosalie Dietrich:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book had been rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but additionally novel and The Numberlys or others sources were given understanding for you. After you know how the truly amazing a book, you feel wish to read more and more. Science reserve was created for teacher or perhaps students especially. Those publications are helping them to put their knowledge. In various other case, beside science guide, any other book likes The Numberlys to make your spare time considerably more colorful. Many types of book like here.
