The Wonder Book Amy Krouse Rosenthal

Hello, You!

So . . . this book is full of stuff I've always wondered about . . .

Like:

- Did Miss Mary Mack have friends who liked other colors?
- Could everything important about the world be summarized in a poem that rhymes?
- How do Moms always know when you're about to sneak a cookie?
- Who hid something under the Tooth Fairy's pillow when she was a little girl?

Inside you will find stories, short poems, lists, palindromes, visual treats, and random observations. Some parts are happy, some sad-ish, some silly, some serious, some crunchy, some with a soft center.

You can open the book up anywhere and read. So the beginning could be the end, and the end could be the beginning. But I guess the middle is always the middle. . . .

P.S. aren't Paul's drawings the best?!
