"This is probably the single most valuable resource for the entrepreneurs aspiring to build successful companies"—Ron Conway, Special Adviser, SV Angel, and investor in Facebook, Google, Twitter, Foursquare, PayPal, Zappos

"I highly recommend *Venture Capitalists at Work*. This book captures the personalities and approaches of a number of leading VC practitioners and displays the heart and soul of the venture capital process, by offering an exclusive window into the voice of the practitioners."—**Gus Tai, Trinity Ventures**

"*Venture Capitalists at Work* is a foundational pillar in an entrepreneur's understanding and resources. This is a first in terms of the level of detail, quality of discussion, and value to the entrepreneur."—**George Zachary, Charles River Ventures and Investor in Twitter**

Venture Capitalists at Work: How VCs Identify and Build Billion-Dollar Successes offers unparalleled insights into the funding and management of companies like YouTube, Zappos, Twitter, Starent, Facebook, and Groupon. The venture capitalists profiled—among the best in the business—also reveal how they identify promising markets, products, and entrepreneurs.

Author Tarang Shah, a venture capital professional himself, interviews rising VC stars, Internet and software investment pioneers, and venture investment thought leaders. You'll learn firsthand what criteria venture capitalists use to make investments, how they structure deals, the many ways they help the companies they fund, avoidable mistakes they see all too often, the role of luck in a success, and why so many startups fail.

Venture Capitalists at Work also contains interviews with those on the receiving end of venture money—entrepreneurs in high-profile startups that went on to achieve great success. Whether you're an entrepreneur, an aspiring VC, an M&A professional, or an ambitious student, the knowledge you will gain from *Venture Capitalists at Work* could provide a significant shortcut to success.
