## Le Morte d'Arthur: King Arthur and His Noble Knights of the Round Table (First Avenue Classics)

Sir Thomas Malory

The wizard Merlin foretells that King Arthur's bastard son Mordred will one day bring about the ruin of Camelot. At Merlin's urging, Arthur tries to have the boy killed. Arthur then marries the fair Gwennyvere, who brings the Round Table with her as part of her dowry. But Gwennyvere falls in love with Arthur's favorite knight, Launcelot. Meanwhile, Mordred—who survived the attempt on his life—plots to bring down his father's kingdom. When Mordred exposes Launcelot and Gwennyvere's affair, it threatens to divide Arthur's knights and shatter the fellowship of the Round Table. First published in England in 1485, this epic is credited with combining the disparate Arthurian legends into a cohesive, definitive canon. This is an unabridged version of Sir Thomas Malory's tale of swords, quests, honor, and betrayal.
