Light on Life's Difficulties James Allen

James Allen was one of the most popular writers in the fields of inspiration and spirituality at the turn of the 20th century, and here, in this 1912 work, he tackles the myriad problems facing the world and all its people from a perspective of mind over matter. Shining a light of plain-spoken wisdom on everything from the personal (a sense of proportion, good manners and refinement) to the global (war and peace, diversities of creeds), he motivates us all to take a hand in making the world a better place... for ourselves and for everyone.

British author and pop philosopher JAMES ALLEN (1864-1912) retired from the business world to pursue a life of writing and contemplation. Best known for *As a Man Thinketh*, he authored many other books about the power of thought including *The Path to Prosperity*, *The Mastery of Destiny*, and *Entering the Kingdom*.
