Mental Health Nursing: Competencies for Practice Stephan Kirby, Denis Hart, Dennis Cross, Gordon Mitchell

Pre-registration nurse training across the UK is now competency based and this is the first mental health nursing text devoted to this approach. It explores the practical application of a competency based Exit Profile for mental health nursing students, which ensures that there is consistency in the essential knowledge, skills and attitudes that mental health nursing students will acquire by the end of their training programmes. This timely and contemporary text will be an essential resource for all Mental Health Branch nursing students.
