## **Nazi Love** Michael Phayer

Love twists strangely during wartime. When World War II started, Matt, Christa, and Karl were all friends living in Munich. Matt and Christa were even engaged. But the war changed all of that. When the fighting ended, one would be dead, and the other two would have to find their way in the debris of Hitler's Germany. None got out unscathed. Even love was replaced by something darker, seedier, something that came to be known as Nazi Love. About the author: Phayer took a doctorate Magna cum Laude in modern European history from Ludwig-Maximilian University (the University of Munich) and taught German history for many years at Marquette University. He is a former Senior Fulbright Research Fellow and a Fellow of the United States Holocaust Memorial Museum. Phayer has given guest lectures throughout the United States. Nazi Love is his first novel.
