## Passarinho (Portuguese Edition) Crystal Chan

O avô de Joia parou de falar no dia em que matou o irmão dela. O menino se chamava John, e achava que tinha asas. Subia e saltava do alto de qualquer coisa, até ganhar do avô o apelido de Passarinho. Joia não teve a chance de conhecê-lo, pois Passarinho se jogou do penhasco bem no dia em que ela nasceu. Ainda assim, por muito tempo ela viveu à sombra de suas asas.

Agora, aos doze anos, Joia mora em uma casa tomada por silêncio e segredos. Os pais culpam o avô pela tragédia do passado, atribuem a ele a má sorte da família. Joia tem certeza de que nunca será tão amada quanto o irmão, até que ela conhece um garoto misterioso no alto de uma árvore. Um garoto que também se chama John. O avô está convencido de que esse novo amigo é um duppy — um espírito maldoso —, mas Joia sabe que isso não é verdade. E talvez em John esteja a chave para quebrar a maldição que recaiu sobre sua família desde que Passarinho morreu.

A história tem uma temática realista que dialoga muito bem com os lançamentos recentes de autores como John Green, R. J. Palacio e Karen Harrington, autora de *Claros sinais de loucura*.

Crystal Chan teve um artigo publicado pelo *The Guardian* em janeiro intitulado “Crescendo como filha de pais de etnias diferentes”, tema também abordado em *Passarinho* — Joia, a personagem principal, afirma ser “metade jamaicana, um quarto branca e um quarto mexicana”.

“Uma história delicada e introspectiva sobre a dinâmica de uma família em luto.” **Booklist**

“A mistura de superstição e ciência cria uma justaposição incrível nessa história poderosa sobre perda e superação.” **School Library Journal**

It means that it can to be your friend when you experience alone and beside regarding course make you smarter than previously. Yeah, it is very fortunated to suit your needs. The book makes you far more confidence because you can know anything by the book. So , let us make new experience and also knowledge with this book.

#### **Robert Hyde:**

Nowadays reading books are more than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of reserve you read, if you want have more knowledge just go with knowledge books but if you want really feel happy read one with theme for entertaining such as comic or novel. The Passarinho (Portuguese Edition) is kind of reserve which is giving the reader erratic experience.

#### **Victoria Owen:**

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some study before they write for their book. One of them is this Passarinho (Portuguese Edition).

#### **Michael Mantz:**

This Passarinho (Portuguese Edition) is new way for you who has fascination to look for some information as it relief your hunger of knowledge. Getting deeper you upon it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Passarinho (Portuguese Edition) can be the light food for you because the information inside that book is easy to get by anyone. These books build itself in the form and that is reachable by anyone, yep I mean in the e-book application form. People who think that in guide form make them feel tired even dizzy this reserve is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss the item! Just read this e-book type for your better life in addition to knowledge.
