Faith in Science: Scientists Search for Truth

Faith in Science: Scientists Search for Truth

Through intimate conversations with some of the world's most distinguished scientists (including two Nobel Laureates), *Faith in Science* invites us to explore the connections between scientific and religious approaches to truth. Subjects range from the existence and nature of God to the role of spirituality in modern science. The result is a clear account of how two major cultural forces can work together to offer unique insights into questions of existence.
