## **Project Superpowers: Blackcross #2 (of 6): Digital Exclusive Edition** Warren Ellis

In the quiet Pacific Northwestern town of Blackcross, something terrible is happening. A man has burned himself to death by the lake, but there's no body. A man under witness protection is under threat. A serial killer is murdering his way towards the town limits. And supernatural figures stare out through mirrors and windows, haunting their own doppelgangers. The alternative history of Blackcross is reaching out through the mist to lay its claws on the real world.
