The Boys #23

Garth Ennis

The Boys #23 Garth Ennis

They're outcasts. Renegades. Rogues. Outsiders. They're the world's most profitable superheroes. They're the G-Men. But all is not well with mysterious millionaire John Godolkin's band of misfits. Silver Kincaid, one of the original G-Men, has just committed suicide in the most public and grotesque way possible. That's not good news for Voight-American's number on franchise, with G-Force, G-Coast, G-Style, G-Wiz, the G-Brits, and the G-Nomads all depending on their slice of the G-pie! There's far too much at stake for anyone to go poking around the G-mansion now. Who knows what dirty secrets might be waiting down there in the dark? So it's just too bad that Butcher, Hughie, Mother's Milk, the Frenchman, and the Female have decided to do precisely that. Even if they risk finally biting off much, much more than they can chew! A storyline so big that Darick Robertson and other big-name creators will be providing alternate covers for begins here!
