## **Why?: Making Sense of God's Will** Adam Hamilton

When the ground shakes, and a poor nation's economy is destroyed; when the waters rise, washing away a community's hopes and dreams; when a child suffers neglect and abuse; when violence tears apart nations; where is God? If God is all powerful, and if each one of us is a beloved child of God, then how can God allow tragedy and suffering to infest his creation? When we lift our prayers to God, and no answer seems to come; when we earnestly seek to know the will of God for our lives, yet can't seem to discern it; when God seems far away; where is God? If God counts the hairs on our head, and knows every sparrow that falls, why is finding and understanding God's will so difficult at times? In *Why? Making Sense of God's Will* best-selling author Adam Hamilton brings fresh insight to the age-old question of how to understand the will of God. Rejecting simplistic answers and unexamined assumptions, Hamilton addresses how we can comprehend God's plan for the world and ourselves. "When it comes to the weightiest problems for our faith, like suffering and unanswered prayers and God's will, philosophers don't get the job done for me. But thoughtful pastors do. For me, the one thoughtful pastor who offers wisdom for our deepest questions is Adam Hamilton. This book is a rare gift and the kind of book that needs to be close at hand for all Christians. This book proves theology has to be done by pastors." -Scot McKnight, author of *A Community Called Atonement* "As someone for whom the 'Christian answers' I grew up with failed to satisfy the troubling questions of my adulthood, I deeply appreciate Adam Hamilton's thoughtful book *Why?* I recommend this book to anyone who longs to leave behind simplistic answers and discover a God who invites them into a collaborative process of bringing redemption, love and hope to a world in desperate need." -Lynne Hybels, author of *Nice Girls Don't Change the World* "Unlike many Christian writers these days, Adam Hamilton does actually make sense of God's will. This is a profoundly satisfying treatment of common misconceptions about God. Everyone who asks 'Why?' when confronted with evil, innocent suffering, unanswered prayers, and failure to perceive God's will should read this book." -Roger Olson, author of *Questions to All Your Answers*
